

SK Virtual Visit – Patient Views

Using SK Virtual Visit, healthcare providers can conduct video visits with patients in two different ways:

1. Video Meetings (Scheduled or On Demand)
2. Patient Consultations (Scheduled only)

1 - VIDEO MEETINGS

- The patient workflow is the same for both 'scheduled' and 'on demand' video meetings.
- It is not necessary for patients/clients/participants to be invited to join your clinic or to create a SK Virtual Visit account.
- Participants can join the meeting they've been invited to by clicking the '**https/...**' quick link your clinic sends them via email or SMS before the meeting.

Title: Follow-Up w Demo Patient
 Time: August 13th 2025, 9:00-9:15am CST (-06:00)
 ID: 7777777777
 Passcode: CCCCCC

To ensure your call goes smoothly, please test your device and internet connection by clicking on the 'Test Your Connection' button. You can access this button by clicking the meeting invite link.

If the results show that one or both are not working correctly, call 1-306-988-2578, then press option '1' and you will be connected with someone from SK Virtual Visit support that will be able to assist you. This phone number is available from 8:00 AM to 5:00 PM CST from Monday to Friday.

IF using a mobile device and this green screen appears, they click '**Continue on Web**' OR they may download the **SK Virtual Visit** app from their app store (optional).

(If they do not see this screen, they may still download the app by opening their device's app store and searching for **SK Virtual Visit**.)

Whenever prompted they should '**Allow**' both camera and microphone.

Note: Their prompt may differ slightly from this example, depending on the browser and device they are using.

They will be directed to the 'Join Meeting' screen.

- It is recommended they leave their microphone and camera turned 'ON', then may turn them 'OFF' once in the video.
- 'Test Your Connection/Test Audio and Video' - they may test their device's camera, microphone and connectivity to the internet and servers. It runs for approximately 30 seconds then will provide results.
- They **must** enter their name to identify themselves to the meeting host.
- If they want their camera/microphone settings and name saved for next time, they check 'Remember my preferences'.
- When they are ready, they click 'Join/Join Meeting'.

- They will be prompted to stay on this page until the meeting host lets them in:

- If denied admission by the meeting host, they will see this prompt. If this was a mistake, they may make another attempt to join the meeting.

2 - PATIENT CONSULTATIONS

- If your clinic is seeing patients/clients using patient consults, those patients **DO need to be invited by your clinic as virtual patients and much create SK Virtual Visit accounts.**
- After doing that, they will log into their account on the web using any device (laptop or mobile) at <https://virtualvisit.saskatchewan.ca/>, OR on a mobile device they may download and open the **SK Virtual Visit** app from their App Store.
- After logging into their account, they may access their appointment(s) under the 'Consultations' tab.

2.1 - PATIENT INVITED BY EMAIL TO JOIN YOUR VIRTUAL CLINIC

Invitation Email (Email #1) –

- It is important your invited patients use the links within this email, as these properly connect them to your virtual clinic. (After your patient has used these links and completed their account registration, these links will no longer work.)
- They must login at either <https://virtualvisit.saskatchewan.ca/> or by opening the 'SK Virtual Visit' app (if downloaded onto their mobile device).

Saskatchewan!

Your Health Care Provider, Doc Marshall, has invited you to register with SKVV Test Clinic in the **SK Virtual Visit App**.

Get Started

Before Doc Marshall can start booking appointments with you, you need to set up your account and accept their invitation to SKVV Test Clinic.

Follow our easy how-to steps and you will be set up within a couple of minutes.

1. Download the app → SEE INSTRUCTIONS "B" BELOW

By downloading the app on your iOS or Android device, you will have access to your appointments, timely reminders and important messages from your health care provider.

The 'Account Information' screen -

- They must complete all fields:
 - First name
 - Last name
 - Email address
 - Date of birth
 - Gender
 - A unique secure password, completing all password requirements
 - Check that they have read & agree with the '**Terms**' and '**Privacy Policy**'
 - Check that they agree to the '**Consent Form**'
- They then click '**Continue**'.

The screenshot shows a registration form for Saskatchewan. The form is titled "Account Information" and includes fields for First Name, Last Name, Email, and Gender. Below these is a "Choose a Password" section with fields for Password and Confirm Password. At the bottom, there are two checkboxes for agreeing to the Terms and Privacy Policy, and the Consent Form. A "Continue" button is located at the bottom of the form. To the right of the form, there is a "Password Requirements" box with a list of requirements, each with an unchecked checkbox.

'Email Verification' screen & Email #2 –

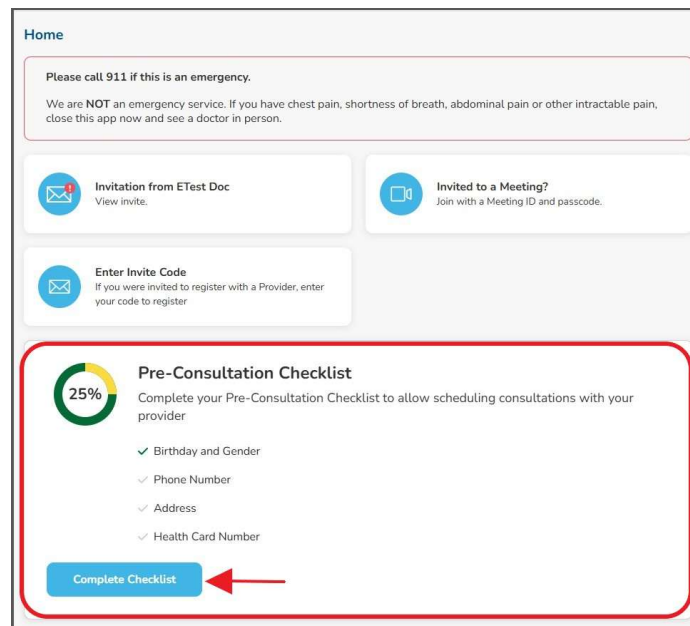

After they complete the 'Account Information' screen, they will receive a second email which provides a 'Confirmation Code' to verify their email address. (If they do not receive the 2nd email, in either their Inbox, Spam or Junk folders, they may click 'Re-send Confirmation Code' on the 'Email Verification' screen.)

There are two ways to enable the 'Confirmation Code' (both options do the same thing):

1. They bypass the 'Email Verification' screen and simply click the 'here' hyperlink within this 2nd email.
2. They manually enter the 'Confirmation Code' provided in this 2nd email onto the 'Email Verification' screen, then click 'Confirm'.

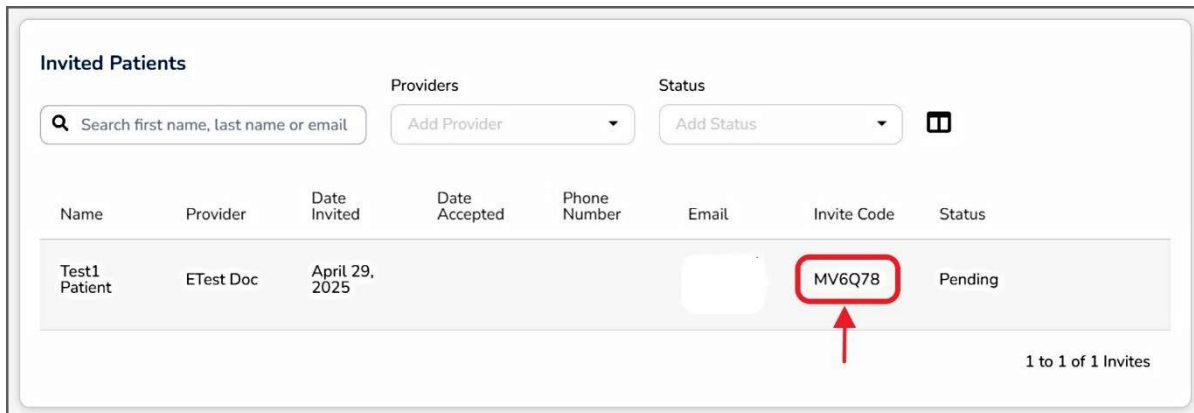

- If prompted, they click 'Accept Invitation' and will now be joined to your clinic.
- They should complete their 'Pre-Consultation Checklist' to 100%.

2.2 - PATIENTS INVITED WITH AN 'INVITE CODE' PROVIDED BY THE CLINIC

Each time your clinic invites a patient, an 'Invite Code' is created.

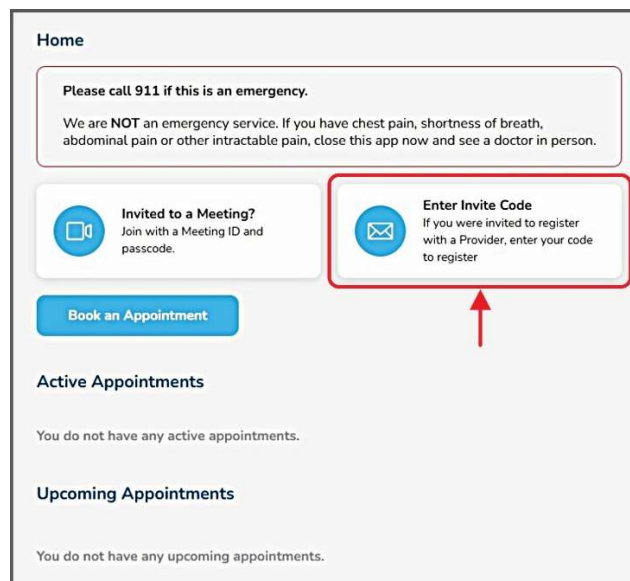

- The code may be found under **Clinic > Patients > Invited Patients**.

Name	Provider	Date Invited	Date Accepted	Phone Number	Email	Invite Code	Status
Test1 Patient	ETest Doc	April 29, 2025				MV6Q78	Pending

1 to 1 of 1 Invites

- You can provide this code to your patient, verbally or via text.
- Once the patient creates and logs into their account (following the instructions above), they would click 'Enter Invite Code' on their 'Home' page.

Please call 911 if this is an emergency.
We are NOT an emergency service. If you have chest pain, shortness of breath, abdominal pain or other intractable pain, close this app now and see a doctor in person.

Patient Features within SK Virtual Visit

On the WEB – There are five sections along the left green navigation bar:

THE 'HOME' SCREEN

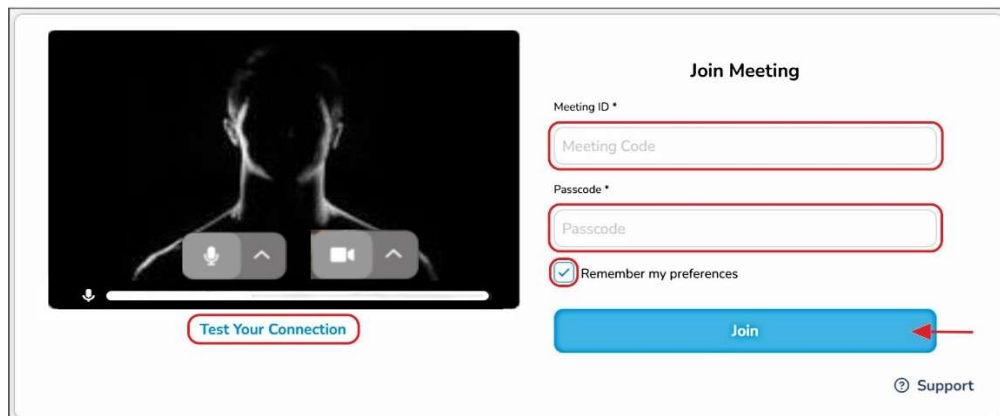

'Book an appointment' – patient self-booking is deactivated and not available at this time.

'Invitation from a care provider' – this only appears if your patient has an outstanding invitation to join a clinic. Once they click this button and **'Accept'** the invitation, this will disappear from their **'Home'** screen.

'Invited to a Meeting?' – patients may join a meeting after logging into their account.

- If prompted, they must 'allow/enable' their camera and microphone. They must manually enter the Meeting ID and Passcode provided in the email, enable/disable their microphone and camera, click if they want these preferences remembered for future meetings, then click **'Join'**. *Note: when logged into their account, they are not asked to enter their name on this screen, as it will automatically generate and identify them to the meeting host/clinician.*
- They may test their audio and video equipment & connectivity prior to joining the meeting by clicking the **'Test Your Connection'** button. The test takes approximately 30 seconds then will provide results.

‘Enter an Invite Code’ – when patients are invited to join your virtual clinic with an invite code provided by your clinic (rather than via an email invitation), they create an account, click this button, manually enter the invite code, then click **‘Submit’**. They will then appear under your ‘Patients’ list when you search for them.

Enter Invite Code

Enter the code that you received from your care provider below.

Upcoming Appointments

You do not have any upcoming appointments.

THE 'CONSULTATIONS' SCREEN

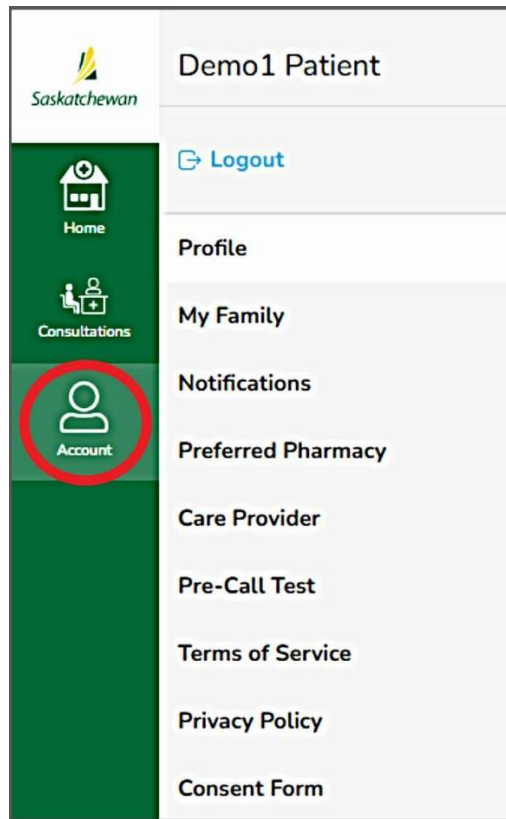

This is where patients go to find and attend their scheduled, in progress & completed patient consultations.

Note: this is not where they access scheduled 'Meet Now' video meetings.

There are 3 sections available:

- **In Progress** – appointments that are currently active (entered by the healthcare provider but not yet completed or archived by the clinic). *Note: until consultations are 'archived' by the clinician or their admin, these will continue to be listed in this section.*
- **Upcoming** – appointments that are scheduled for the future. *Note: as soon as the clinician enters the patient consultation, it will move into the 'In Progress' section.*
- **Completed** – past appointments that are complete and archived by the clinic.

ACCOUNT SCREEN

- **Profile** – patient’s account information, including email address, first & last name, address, phone numbers, date of birth, gender and health card number). Patients may add a profile picture or edit any of their account information, including changing their account password. This is also where they may enable two-factor authentication (recommended but optional for patients). They must remember to ‘**Save Changes**’.

The screenshot shows the 'Test1 Patient' profile page. At the top left is a green cross icon and the text 'Test1 Patient' with a 'Change Profile Picture' button. At the top right are 'Change Email' and 'Change Password' buttons. The main content is divided into two sections: 'Account Information' and 'Two-Factor Authentication'.
Account Information
Contact Information: Email (emars hall+test1@lumecca.com), First Name (Test1), Last Name (Patient), Home Phone Number, Mobile Phone Number ((306) 434-5335).
Address: Province (Saskatchewan), Street (1234 Main Street), City (Regina), Apt/Suite, Postal Code (S4S 4S4).
Age and Gender: Birth Year (2000), Birth Month (January), Birth Day (1), Gender (Female).
Health Card Number: 123456789. A note states: 'Health card numbers are different across each province. The number should be on the front of your health card.'
Buttons: 'Save Changes' and 'Discard Changes'.
Two-Factor Authentication
Text: 'Use your phone number to enable Two-Factor Authentication to add an extra layer of security to your account.'
Button: 'Enable Two-Factor Authentication'.

- **My Family** – the dependents feature is disabled at this time.

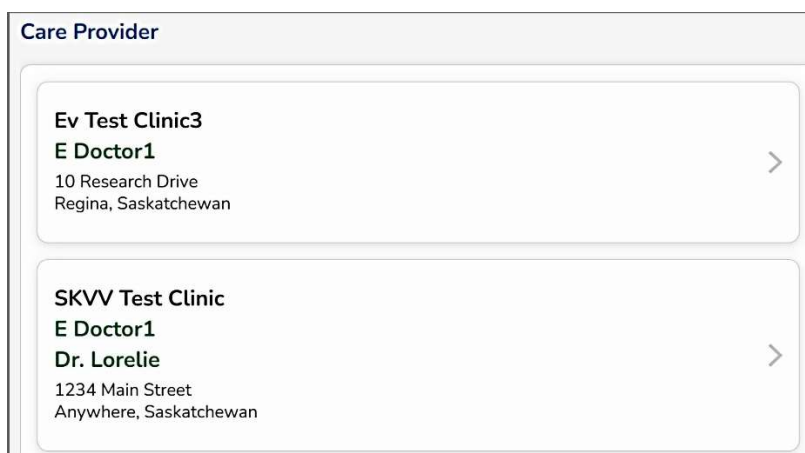

- **Notifications** – displays their email and mobile number where appointment notifications will be sent from the clinic. This is automatically updated if they revise their email address and/or mobile number in their profile info.

- **Preferred Pharmacy** – a map where the patient may click on one of the blue circles to choose the pharmacy they normally deal with.

- **Care Provider** – a list of clinics the patient is joined with through SK Virtual Visit.

- **Pre-Call Test** – test of device’s audio, video, & connectivity to the internet and servers. The same feature as the clinic users have under their ‘Account’ screen.
- **Terms of Service** – legal agreement between patient and eHealth Saskatchewan regarding use of SK Virtual Visit.
- **Privacy Policy** – privacy standards for patient’s PHR.
- **Consent Form** – patient’s acceptance of consent to use SK Virtual Visit for personal healthcare by their clinician(s).

SUPPORT SCREEN

The screenshot shows a 'Support' section with a 'Contact Us' header. Below it, a sub-header reads 'Running into a technical issue? Connect with us and we'll guide you through it.' There are three contact options: 'Chat' (with a speech bubble icon), 'Call' (with a phone icon), and 'Email' (with an envelope icon). Each option includes a brief description and a link to contact support. Below the contact options is a 'Help Topics' section with the sub-header 'Find how-to articles, videos, and troubleshooting resources in our help centre.' It features four article cards with titles like 'Audio & Video Tips', 'How to join a virtual consultation', 'How to join a video meeting that I'm invited to', and 'Why can't I enter my video call?'. Each card has a 'Read more' link. At the bottom of the help topics section is a blue button labeled 'More Help Topics'.

- **Contact Us** – users, including patient may contact our Support via chat, phone call or email. Support is provided by our live agents, not AI.
- **Help Topics** – there are many step-by-step articles and videos available on our Zendesk. Users may click on these example articles, the 'More Help Topics' button and may 'Search' by specific words once in our Zendesk.

LOG OUT SCREEN

- It is recommended that users log out at the end of their sessions or if leaving their device unattended

The screenshot shows a 'Ready to Log Out?' screen. The text reads 'You'll need to log back in to access your account.' Below this text are two buttons: a red button labeled 'Logout' and a blue button labeled 'Stay Logged In'.

- Users who do not log out manually are automatically logged out after approximately four hours of inactivity. A two-minute countdown will warn them that they will be logged out.

The screenshot shows a 'Login Session Expiring' screen. The text reads 'You will be automatically logged out unless you choose to stay logged in.' Below this text is a large digital clock showing '1:52'. At the bottom is a blue button labeled 'Stay Logged In'.
